Papers Submission:

Authors are invited to submit extended abstracts, which must be written in English and must be received by **July 31, 2010**. Extended abstracts should not exceed two A4 pages with 25mm margins on all sides, in one column format, and with 10-point fonts or larger. Please include the title, author names, affiliations, and addresses on the top of the first page of the extended abstract. The extended abstract should be prepared in PDF format, and it should be submitted electronically via E-mail.

Authors will be advised regarding acceptance of the extended abstract by **August 31, 2010**. The authors of accepted papers are requested to submit the manuscripts for the proceedings following the instructions available in the proceedings page. The manuscripts should be prepared in PDF format and submitted electronically via E-mail by **November 12, 2010**. The maximum length of each manuscript including both text and illustrations will be ten pages (about 7500 words). In order to assure high-quality of the proceedings, all manuscripts will be reviewed and only accepted ones will be included in it.
